*Never let the fire in your heart go out rather serve the Lord with joy and faith.
We will be the spark that ignites the flame, spreading loving kindness in God's name.*
Romans 12:11

March April 25, 2022

Dear Parents,

This week we will kick off our Fun Run – students will be bringing home directions today!
Thanks for your generosity in supporting this event.

K-2 will present the Earth Day Musical this Friday at 2:00 pm. Parents are welcome to attend.
Masks will be required during the show. Students will need to go to their classrooms after the
show to pack up and will be released in the regular pick up line.

The First Communion Retreat for families is this Saturday.

There are no active cases on campus at this time.

Blessings,

Kelly Stevens
Principal

Our DWP Skill of the Month of April is Initiating Solutions/Solving Problems

We teach this skill so that students can acknowledge they have behavioral choices. This skill helps students learn effective principles to use when taking the first step to resolve a problem and encourages students to become agents of change. Students also learn how to avoid inappropriate confrontations.

In order to practice initiating solutions, a student uses these guidelines:

1. Always go to the source of the problem.
2. Talk it through with a neutral person if necessary.
3. When you need to speak to an adult or peer, make an appointment
4. Put what you want to say in writing
5. Be clear about the results you hope to achieve
6. Be willing to change your point of view if new evidence becomes available.

Our Student Learning Expectation (SLE) of the month of April is Life Long Learners

Life Long Learners are students who:

- ♣ Facilitate their own learning by setting goals and evaluating progress
- ♣ Demonstrate age-appropriate mastery of basic curriculum, skills, and concepts
- ♣ Pursue all aspects of physical fitness and demonstrate positive sportsmanship
- ♣ Demonstrate an appreciation for the Visual, Dramatic and Musical Arts
- ♣ Use technology responsibly to enhance the learning experience and increase productivity

Planning for Next Year! The first day of school will be Monday, August 15, 2022

As we return from Easter break.....please be mindful of your child's health and keep them home when not feeling well. We continue to take all precautions to keep everyone safe in school.

****Children with ANY Covid-like symptoms, including cold symptoms of runny/stuffy nose, cough, headache, fever, nausea/vomiting, loss of smell/taste, shortness of breath may NOT attend school.** If they come to school with any symptom, they will be sent home immediately. **--Students feeling sick must take a COVID test that shows negative, and be symptom free or consult their doctor and obtain a note BEFORE returning to school with no symptoms, and follow all protocols.**

Please always notify the office of any positive test. *You should notify your child's teacher if they will be out sick, but no need to inform of positive tests for privacy reasons.

*-If your child is fully vaccinated (2 doses) please send their vaccination cards to Mrs. Heng.

Lunches being dropped off- If you are dropping off a late lunch, please remember that there is NO fast food allowed for lunch. Please do not send anyone to drop off fast food for your students for lunch. Only regular, healthy lunches are allowed. Thank you!
