Saint Patrick Preschool is a parish school, established for the children of the parish. The school also recognizes its responsibility of mission and service to the community at large, so other families are welcome to send their children to the school. Saint Patrick offers education, care, and supervision to preschool-aged children. By enrolling my child in the school, I agree to fulfill my responsibility to my child, to the school, and to the school community, as stated in this agreement. I understand that fulfillment of these responsibilities will determine my child's continued enrollment at Saint Patrick Preschool.
