

St. Patrick School VOLUNTEER SURVEY

Dear Parents,

At St. Patrick School all parents are asked to assist students or the school in some area of voluntary service. This can best be done if family capabilities, interests and skills can be known and accessed when needs arise. Volunteer help enables school functions to be carried out well and provides necessary funds, which are applied both to operating costs and improvement of programs. We can use your help in many different ways.

PARENT (FATHER)

PARENT (MOTHER)
